## Relief Efforts

When the tornado hit Little Rock less than two weeks ago, our incredible team and community jumped into action. Even without power at the center, we were grateful to have gas stoves/ovens to be able to cook over 4,000 meals that first weekend alone.

As the city of Little Rock brought together organizations and people to centralize relief efforts, we offered to coordinate mental health professionals to support those looking for support right now. The mental health team is serving at the city's family assistance center (City Center LR at Immanuel Baptist Church-AR, 315 N Shackelford). If you are NOT a therapist or qualified mental health professional, please sign up to volunteer at [www.littlerock.gov/volunteer](http://www.littlerock.gov/volunteer).
